Dear colleagues

We invite you to take part in the V International Youth Scientific School “Innovation Management” (hereafter the School), which will be held on *16-18 May 2019 in Tsaghkadzor, Armenia*.

The objective of the School is to unite talented young scientists, students and researchers, to increase professional competences and the level of youth engagement in innovative activities as well as intellectual activity, innovative design and technology transfer.

Within the framework of the course the participants will get acquainted with efficient techniques of business proposal writing and tools for business projects, and also will be equipped with basic knowledge on the protection and management of Intellectual Property Rights.

The program of the School consist of lectures and master classes, workshops, case studies and business games organized for the young participants by the leading experts in the fields of Innovation and Project Management, protection and Management of IP rights.

Participation is open for young scientists, students, post-graduate students and researchers, beginning entrepreneurs and other attendees interested in Innovative Entrepreneurship and Commercialization of Intellectual Activity Results **aged 30 maximum**.

To take part in the School please submit the application form via the following link <http://bit.ly/2Ue00RP>.

The participation fee is 15 USD or equivalent Armenian Dram converted at the exchange rate of the transaction day. **Expenses related to accommodation and meals during the School days will be covered by the organizers**.

The selection of applicants will take place on competitive basis. The approved bidders will receive an E-mail invitation to attend the V International Youth Scientific School "Innovation Management" and the order of the participation payment until *May 6, 2019*, after which the applicant should confirm his/her participation during **3 working days** by sending an information letter to the following e-mail innov.youth.school@gmail.com and paying the participation fee.

For detailed information about the School please visit the official website of the V International Youth Scientific School "Innovation Management" <https://yisango.wixsite.com/younginnov-en/> and <https://yisango.wixsite.com/younginnovator-arm/youthschool2019-arm>, the Facebook page <https://www.facebook.com/SchoolOfAYoungInnovator/>.

The program is implemented with the **financial support of the RA Ministry of Sport and Youth Affairs**.

Respectfully,
School Organizing Committee
